## Residential Auto-Load Collection Phase Two Implementation

**Idaho Falls, ID** – The City of Idaho Falls' Sanitation Division is excited to announce the second of three phases to convert residential refuse collection to an auto-load system beginning this month. The first phase, completed in 2015, converted approximately 4,500 residential homes and phase two will add another 5,000 to automated refuse collection.

A map of subdivisions and addresses included within this implementation phase is available at the city's website (<http://www.idahofallsidaho.gov>), and a list of the neighborhoods impacted is listed below.

Delivery of new carts will begin the week of October 24th. The Sanitation Division requests that residents involved in phase two begin using the city-supplied refuse carts on their regular pick-up day of the week following cart deliveries.

The following neighborhoods are included in the phase set to begin Monday:

Alice Dickson Estates	Anderson-Jeppson Addition
Andrew Addition	Baywood Park Estates
Bel-Aire Addition	Bonavista Addition
Canterbury Park	Christensen Garden Subdivision
Columbia Heights Addition	Edgemont Gardens Addition
Fenway Park Subdivision	Golden L. Clark Addition
